A-1 Blast
Weekend

Don Moger

This A-1 teach is for Plus dancers who would like to learn the A-1 level without enrolling in a long series of lessons. The workshop is designed to complete the list in 2 days of learning. All of the sessions are great for dancers who already dance A-1 but are not getting enough floor time to practice

★ If you are interested in joining us for the 2 day workshop, you must call and register with us before Oct. 3. We need to know that you will be attending, as we need a minimum number of dancers to proceed with the workshop. ★

If you already dance A-1 and would like to attend only part of the weekend the cost is \$10.00 per dancer per session

There will be a total of 5 sessions, 3 on Saturday and 2 on Sunday
