To All Clubs :

Subject: Dance Book 2009-2010

The minutes of the AGM and the last Directors Meeting have hopefully now been received by all clubs. You will note that a decision has been made to discontinue the printed copy of the BBS & RDA Dance Book. All of the information will now be on the Border Boosters web site : <http://www.borderboosters.qc.ca>.

As in past years the clubs will need to supply their schedules and locations for regular dance nights, Theme nights, Fun Nights, Class Bashes, Graduations, Specials and their club contact information. Also please supply us with the name and email address of the person in your club that will be responsible for keeping your club information up to date and also will be checking the club pages, flyers etc on a regular basis giving us feedback on any links that may not be working. The information on the web pages cannot be kept up to date without your help.

In the printed book each club had a “free page advertisement” this could be your schedule for the season or a flyer for a special dance, we will be following the same format as the printed book, however since there is a page for “Flyers” you are not limited to the number of flyers you have in a season. The big advantage of the web page will be that any of your club information can be changed where it could not once the book was printed. Again this can only be done with your help.

We would appreciate receiving your information as soon as you have set your schedules for the 2009-2010 Dance Season, before the end of June if possible. Also please ensure that we receive your dance flyers no later than 6 weeks before any Specials, preferably once you have decided on the date for the Special, any changes can be made if necessary closer to the date.

“Summer Dancing” - please get those flyers to me ASAP as most of the summer dancing schedules start in May which doesn't give us a lot of time to get this info up on the web site.

I think that about covers everything, please look over the Dance Book from other years and give us any and all information that you would like shown, all suggestions are more than welcome...

Please send the information to :

Glenda Harris – glenda.lancey@sympatico.ca

Thank you and good dancing,
