Summer Magic 2010

Sold Out - But read on

This is our second newsletter and we are happy to report that we have reached our objective of 62 squares. "Sold out" may not always be sold out. Last year 9 squares cancelled, mostly due to health problems. We are urging everyone receiving this newsletter to convey this message to the dancers who are not registered.

"Mail a registration form to us as quickly as possible and be placed on the waiting list." The likelihood of advancing from the waiting list to the registration list for the weekend is very good. The best method that we can use to pass the word along is by way of this

newsletter. Therefore, our advice is to get your name on the waiting list as early as possible, by sending in your deposit. In the case that dancers on the waiting list do not receive

confirmation that they have moved from the waiting list to the registration list, there will be no penalty applied to their deposit. The deposit will be refunded in full. All registrations will be entered in order of receipt.

We have some exciting new possibilities for the weekend. We are attempting to have two dance rooms open for dancing Friday afternoon. We are also in the process of trying to move the Friday night Karaoke to one of the dance rooms as the pub proved to be too small. (Don't worry...we will have a portable bar)

As many of you know, one major area for concern was the line for meals. We have a meeting planned for May with the staff in charge of meals. They will be implementing changes to better accommodate all our dancers.

Newsletter # 2

March 1, 2010

Just as we have done in the past, a newsletter will be sent out to everyone with all the final details for the weekend. This will be done one month prior to the weekend

Email your choice of meal time to avena@videotron.ca

1st, 2nd, or 3rd Seating for Meals

We are planning to have meals during a certain time frame, something like a cruise, and therefore dancers will spend much less time in a line. Meal times will be during the following hours.

Breakfast 7:30am 9:00am
(for all)

Meal time #1

12:00 noon & 5:00 pm

Meal time #2

12:30 pm & 5:30 pm

Meal time #3

1:00 pm & 6:00 pm

Sunday lunch will be open from 12:00 noon till 1:30 pm for everyone.

Every person receiving this newsletter is registered for Summer Magic 2010. If you do not select a time, we will assign one for you.

Please indicate your 1st choice and your 2nd choice.

If you wish to dine with friends, please request the (#) number of the meal time and send it in one email.
