THE NEWSLETTER HAS FINALLY ARRIVED

After another very successful Summer Magic Weekend, we are looking forward to August 24, 2012 in Cornwall with great anticipation. This weekend is truly one of the "not to miss" dance weekends of the year. We are 8 months away and we have 71 squares already registered. The staff for 2012 has never been here before, so you can look forward to an exciting time of dancing to some of the greatest callers in the country. We would also like to thank the dancers who took the time to complete the survey that we sent out, as this gives us some direction in the planning of the weekend for future years. Meetings have been held with NAV Canada and we have discussed many items in the survey that you would like to see improved. We are always striving to perfect the weekend. Last year we added a dance room that we called relaxed A2. There was an A2 room as well, but many dancers appreciated A2 in a more relaxed atmosphere as they were new to the level or had not danced in many months. It was a great success! So many dancers thanked us for this change in the schedule. There will be changes each year which we feel will ameliorate the weekend. Please take note that there will be NO MAINSTREAM at Summer Magic 2012. The registration is very poor and we would not have enough dancers in the room. One more very important note for 2012, YES we are going to have C-1. The flyer states no C-1, but it has been officially added.

WE ARE NOT SOLD OUT!!

As you know cancellations during the 30 days prior to the weekend result in a loss of deposit. In the past we have been able to avoid this and rolled over the registrations for the following

year. This past year we were hit with so many cancellations that we were liable for a large invoice for rooms not used. After long negotiations with Nav Canada, we compromised and a settlement

was reached. Dancers who cancelled in the last 30 days in 2011 are now rolled over to 2012. Please note that in future, late cancellations (30 days prior) may not be able to be rolled over.

Last year we had dancers from Sweden and Germany as well as 7 Canadian provinces and 17 US states. This sure looks like the place to be dancing in 2012. We will tell you about our fantastic staff in the next newsletter.

MAINSTREAM

There will be no Mainstream dancing at Summer Magic in 2012. The attendance is poor as classes do not travel. This has forced us to cancel Mainstream.

C-1

We will have C-1 dancing at Summer Magic 2012. Please pass the word as this year will determine if C-1 will continue at future weekends.
