Border Boosters Square & Round Dance Association **Free Travel Badges**

Free Travel badges are available to those dancers who visit square or round dance clubs and the special BBS&RDA dances.

The **Automobile Traveler's** badge is for visiting mainstream or round dance clubs.

The **Ambassador** and **Century** badges are for any BBS&RDA club at any level.

A **special** dance sponsored by a club counts as a visit to that club.

Your **home** club does not count as a club visited. If you are a member of more than one club then declare one of the clubs as your home club. The others will count as visits.

There is a center pull-out sheet in your BBS&RDA dance book. Pull this out and use it to collect signatures from clubs visited.

You are visiting clubs, not callers. The callers just sign the sheet for visits to clubs. Only visits to BBS&RDA clubs are eligible for the Travel Badges.

Directors sign the sheet for the BBS&RDA dance requirements.

If you forget your sheet, ask the caller (or director) to sign and date any piece of paper. Attach this to your sheet with a note saying "see attached".

Photocopy your sheet as you progress in case of loss.

Automobile badge – 9 visits

Visit each of the **mainstream** or **round** dance clubs, or their **club sponsored** events and **one** BBS&RDA special dance.

Visiting a club taking part in some other organization's affair or celebration does not count as a visit for Travel Badge purposes.

The 9 visits (plus one BBS&RDA dance) must be done in a 12 month period.

Please fill in the Date, Club and Place ahead of time so the caller just has to add his or her signature.

Ambassador badge – 4 more club visits for a total of 13 and one BBS&RDA special dance.

Century badge – 3 more club visits for a total of 16 and one BBS&RDA special dance.

All BBS&RDA clubs (mainstream, plus, advanced, challenge and round dance) are eligible for the Ambassador and Century badges.

If you do not round dance or if you do not dance above the mainstream level then you can visit mainstream clubs a second time. But only after visiting **all** mainstream and at least 2 round dance clubs once.

There is no time limit for the Automobile and Century badges.

Please fill in the Date, Club and Place ahead of time so the caller just has to add his or her signature.
